Classics Provide Yuletide Melodies

In this century, hymns and carols of the Nativity have been composed by Peter Warlock ("Bethlehem Down") and Gustav Holst ("Mid-Winter")—among others.

Often, hymns and carols have been set to the music of classic composers.

One example is, "While Shepherds Watched Their Flocks by Night," by Nahum Tate. Music for this came from Handel's opera, "Siroe," as adapted by Richard Storrs Willis.

The Bible Gives Sheep Significance

Authorities disagree as to what kind of sheep existed at the time of Christ. Three varieties exist in Syria and Palestine today, sprung from the three wild sheep groups still found in Asia.

Modernistic Club News

An appreciative number turned out for services Sunday, December 16th, at the 11:00 hour. Pastor Lawing preached an excellent sermon, using for a theme, "The wrong approach to Christmas." The sermon was filled with helpful information for those who attended services. Lovely Christmas music was rendered by the church choir, under the direction of Mr. Tim Lawing.

Those in attendance will do well, to take heed to the message delivered, and by so doing the holiday period will be enjoyed for more than usual. The pastor admonished each member to enter into the Christmas period, with love, and understanding toward his fellowman, in his heart.

The last service for the year "1973" was enjoyed by those present.

The offering was good.

Immediately following the morning offering, a love offering was presented to Pastor Lawing, by deacon John A. Watson from the church.

The last "quarterly rally," was presented by leaders, Brother Robert Watson, and sister Helen Stevens to the church. The sum of one hundred dollars ($100.00) was turned over to Galilee Baptist Church. The leaders wish to thank members, and friends, for their liberal contribution to the drive. Had it not been for your kindness, we would not have been as successful as we were. Thanks again.

We are happy to know that deacon McKinley Austin has returned home, after spending some time in Virginia Baptist Hospital in Lynchburg, Va.

We are happy to report that sister Ethel Pierce, is still holding her own, in Lynchburg General Hospital, in Lynchburg, Virginia. We trust that she may soon recover and return to her family.

Sorry the "Candle Light," service was postponed due to weather conditions Sunday, December 16th at 7:00 p.m.

We wish to thank members, and friends for the fine spirit of cooperation in the drive for the church club. We shall long remember you, for donating so liberally to this worthy cause. We are trying hard to finish the job by coming spring, if all goes well.

On the 5th Sunday at 11:00 a.m. a special service will be held at Galilee Baptist Church, for the Cemetery C. Club sponsored by the pastor and church. We are asking all workers to make his final report on December 30th immediately following the 11:00 service hour. On the 24th of December, we are asking the widows of the church to come to the Sunday School program at Galilee if possible. Immediately following the program, Rev. Lawing will present a little token of love to you from Galilee Baptist Church.

In and out of town:

Mr. Perry Pankey from Baltimore, Md. is visiting his mother, Mrs. Bertha Pankey this week end. Mrs. Pankey resides in Springfield neighborhood.

Merry Christmas and Happy New Year!

See you next week!!!

Christmas Play At Salem Methodist

The Donkey, A Family Favorite

The donkey, or ass, was the most valuable animal to the biblical family, and also the most economical. since he ate only a quarter as much barley as a horse. The most menial of animals, he was famous for his stamina and sure-footedness. Humble as his status was, he would bear the cameleer on his back, and lead the long, stately strings of camels across the desert.

Even poor families, like Joseph's of Nazareth, could afford one donkey, which they trimmed with blue beads and red wool to show their pride of ownership. This simple beast was their mode of transport into Bethlehem and later for the Flight into Egypt.

Some Folks Have a Year-Round Christmas

There are five towns or villages in the United States that are named "Christmas." They are in Arizona, Florida, Kentucky, Mississippi and Tennessee.

There is a Christmas Island in the Indian Ocean, south of Java, attached to the Singapore settlement, under Australian administration, and the British have two Christmas Islands: one of the Line Islands in the center of the Pacific Ocean near Hawaii and another in Nova Scotia on the Atlantic Ocean.

U.S. "CHRISTMAS" TOWNS SWAMPED WITH CHRISTMAS MAIL

Because many people want a Christmas postmark on their cards, letters and packages, each year millions of pieces of mail are sent to post offices in those places named "Christmas."

Christmas, Florida, population about 300, handles an average half-million pieces of mail during the Christmas season. Located near Orlando, it began as a fort that was completed on Christmas 1835.
